Hetty Johnston is a root-grubbing hog. (S)He founded the kiddy sex fascist pressure group/victim-chaser lobby called Bravehearts. She has attracted media attention by voicing her opinions on a number of child protection issues involving high-profile members of the Australian public. These have included the artist Bill Henson, and the former Governor-General of Australia Peter Hollingworth.^{[1][2]} Johnston made her name by starting the campaign that she claims eventually brought down Peter Hollingworth as Governor-General in 2003 over child sexual abuse in the Anglican Church over which he had presided in Brisbane.^[3]

Johnston has published a book detailing her beliefs called *In the Best Interests of the Child*.^[1]

Politics

In 2004, Hetty Johnston unsuccessfully stood for a Queensland Senate seat in the federal election.
